

DPAC Full Membership Meeting
May 1st, 2012, 2:15 p.m. – 5:00 p.m.
Radisson Hotel Lansing
111 N. Grand Ave, Lansing, MI 48933
Capitol Room

Meeting Objectives:

- Educate members on the latest diabetes resources in Michigan.
- Provide information on the NMDI PCP-Endocrinology Project and the impact of diabetes care.
- Inform members on the overview and latest efforts of the West Michigan Glycemic Collaborative and learn how to replicate the model.
- Update membership on MDCH Diabetes Prevention and Control Program and the DPAC Board activities through written updates.
- Provide workgroups time to meet in-person and advance their objectives and opportunity to share with the membership progress on these objectives.

Agenda:

- 2:15 **Welcome and Announcements**
Paul Dake MD and Micki Juip, DPAC Co-Chairs
- 2:30 **Improving Regional Diabetic Management Through a Novel, Endocrinologist-PCP Education Outreach Program.**
Jill Vollbrecht, MD Staff Endocrinologist, Co-Medical Director of the Northern Michigan Diabetes Initiative, Munson Medical Center
- 3:00 **West Michigan Glycemic Collaborative**
Larry Custer R.Ph. Co-Chair, West Michigan Glycemic Collaborative, Employee Pharmacy Coordinator, Diabetes Coordinator, MetroHealth
- 3:30 **Meeting Evaluation and Co-Chair Wrap Up**
- 3:45 **Workgroup Meetings**
- 5:00 **Adjournment**

Please note the Full Membership Meeting will conclude at the end of each workgroup meeting.
