

Diabetes & Kidney Disease Unit Update

October 8, 2010

1) DPAC Staff Changes

- Anne Esdale is back!

2) Funding

- Federal: Reapplication for CDC grant, year 3, level funding
- State:
 - State funding, total budget unchanged for FY 10 – 11
 - No structural reforms, revenue considerations; state deficits/cuts will continue

3) Web developments (Bill Baugh, Web Coordinator)

- Site www.dpacmi.org See added material, especially the workgroup pages
 - New pages: Diabetes 101 & Media with links
 - Homepage highlights, e.g., NDEP materials, partner activities
- “Facebook,” regular posts for news, events, people (See display)
- W. Michigan Diabetes and Cardiovascular Collaboration wmdchp.shutterfly.com
 - See new prevention/complications page; partner updates

4) Michigan Diabetes Strategic Planning (Jennifer Edsall)

- Current plan available: www.dpacmi.org; www.michigan.gov/diabetes
- Key partners + DPCP staff – 3 priority recommendations:
 - Strategic collaboration/strengthen partner capacity
 - Unified messaging
 - Evidence-based programs especially in self-management and prevention
- Goal – 3-year Action Plan by Spring; Opportunities for DPAC feedback
- Key considerations: coalition-building & DPAC regionalization

5) DSMT Sustainability (Dawn Crane)

6) Primary Prevention (Kristi Pier)

- “Michigan Diabetes Prevention Course,” 5 session course for people with prediabetes, leader trainings available
- 16 session Diabetes Prevention Program (DPP), YMCAs and United Health
- DPP in the Diabetes Self-Management Training Program (DSMT) setting
 - Allegiance Health Pilot to be completed within the month
- Shelf nutrition ratings
