

## **FREQUENTLY ASKED QUESTIONS (FAQ):**

### **What is ADA Imagine Camp?**

ADA Imagine Camp is a virtual, in-home camp experience for children ages 5-17 that are living with diabetes! We bring the magic of camp right to you with a summer-long, jam-packed schedule of activities for your camper. Including cabin chat times, social media challenges, a Speaker Series with host Rob Howe, a kit in the mail including a camp t-shirt, and so much more!

### **What are the camp dates?**

ADA Imagine Camp is a 4-week program run over 2 sessions. Campers can attend Session 1, Session 2, or both. If you register your camper for both sessions, you will be sent a mailing kit for the first session **only**. We will send out an e-copy of the Activity Journal before Session 2 if you would like to print a blank copy for Session 2. ADA Imagine Camp dates:

- Session 1: June 7 – July 4
- Session 2: July 12 – August 8
- Both: June 7 – August 8 with a rest week from July 5 – 11

### **What is the cost?**

ADA Imagine Camp is completely free for campers and their families. Though there is no fee for this exciting virtual camp, we do still incur expenses and ask that you please consider a donation to support the sustainability of our programs.

### **What is the time commitment for Parents?**

ADA Imagine Camp has real-time live sessions for interaction in cabin meetings twice a week and age group meetings once a week. In total the live sessions will take about 2-3 hours per week. The time it takes to support your camper for getting on these interactive calls will largely depend on age and familiarity with set up. Outside of the live sessions all other participation is at your own pace with activities from the Activity Journal, social media challenges and our YouTube Series.

### **ADA Imagine Camp has already started, can I still register my camper?**

Yes! Go to [www.diabetes.org/imaginecamp](http://www.diabetes.org/imaginecamp) to register

### **My question wasn't answered above, who can I ask for help?**
